PRODUCT OF SPAIN

MEDITERRANEAN FOOD

During the elaboration of our Muffins we use exclusively fresh eggs from nearby farms.

Top Quality Delicious Traditional Muffins

“Magdalena”

Magdalenas (or Magdeleines in French) are a muffin like pastrie, but instead of being made with butter are make with more healthy vegetable oils.

Our Magdalenas are made with the best ingredients and following and inspired by and old and traditional recipe. In a way are a tribute to all the grandmothers of this region.

The fact that we use real sugar and fresh eggs are accounted for the incredible quality of this magdalenas.
